This is an existing facility applying for a revision to their Title V permit. The facility operates a municipal solid waste landfill at this site. This revision consists of alteration/modifications to the existing landfill gas collection system, and landfill condensate collection and storage system. This facility is also preparing to install a new diesel fueled emergency generator and a fuel storage and dispensing system. The Title V permit includes all the emission limits and operating conditions. The facility is required to certify compliance with the Title V permit in addition to recordkeeping and mandatory reporting of any deviation of the permit conditions.

A Title V permit is enforceable by the AQMD, by the federal government, and by citizens.

The proposed permit is available for public review at AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and on AQMD website at www.aqmd.gov/webappl/publicnotices/search.aspx by entering the facility ID number. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. For more information or to review additional supporting documents, call Mr. Gaurang Rawal, Air Quality Engineer, at (909) 396-2543. Written comments should be submitted to:

South Coast Air Quality Management District
Engineering and Compliance Office

Diamond Bar, CA 91765-4178
Attention: Jay Chen
Senior Engineering Manager

Comments must be received by March 6, 2010. The AQMD will consider all public comments and may revise the Title V permit in accordance with AQMD rules and regulations

The public may request AQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Jay Chen at the above AQMD address.

The AQMD will hold public hearing if there is evidence that the proposed permit is not correct

or is not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permit. Public hearing request forms and the schedule of public hearings may be obtained from the AQMD by calling the Title V hotline at (909)

396-3013, or from the internet at <http://www.aqmd.gov/titlev>. Requests for public hearing are due by February 19, 2010. A copy of the hearing request must also be sent by first class mail to the appropriate facility contact person listed above.
