Leo Drozdoff, Administrator
State of Nevada
Division of Environmental Protection
333 W. Nye Lane, Room 138
Carson City, NV 89706

Dear Mr. Drozdoff:

This letter clarifies and replaces the March 22, 2005, delegation of authority to the New Source Performance Standards to the Nevada Division of Environmental Protection (NDEP).

In response to your request of December 27, 2004, I am pleased to inform you that we are delegating authority to implement and enforce the New Source Performance Standards (NSPS) to the NDEP. We have reviewed your request for delegation and have found the NDEP's programs and procedures to be acceptable. Accordingly, EPA is delegating and/or redelegating authority for the following source categories as they existed on July 1, 2004 except for the amendments to Subpart GG, which were published in the Federal Register on July 8, 2004 and adopted by NDEP as they existed in that Federal Register.

This delegation does not include NSPS Subparts C, Cb, Cc, Cd or Ce, which address Emission Guidelines and Compliance Times and thus are not delegated under CAA Sec. 111(c). To the extent that there are sources within the NDEP's jurisdiction that would be subject to these Subparts, the NDEP should be developing regulations for submission to EPA as a Plan under 40 C.F.R. Part 60, Subpart B.

Acceptance of this delegation constitutes your agreement to follow all applicable provisions of 40 CFR Parts 60 and 61, including but not limited to use of EPA's test methods and continuous emission monitoring procedures. As of the effective date of this delegation, NDEP will have primary authority to enforce the above standards. EPA will retain independent enforcement authority, and will exercise such authority in a manner consistent with EPA's "Timely and Appropriate Enforcement Response to Significant Air Pollution Violators" Guidance, and any revisions thereto, and our enforcement agreement. All notifications and

reports required of sources by the above standards should be sent to you, with a copy to our office. The delegation is effective upon the date of this letter unless the U.S. EPA receives written notice from you of any objections within 10 days of receipt of this letter. A notice of this delegated authority will be published in the Federal Register in the near future.

Sincerely,

A handwritten signature in black ink, appearing to read 'Deborah Jordan', with a long horizontal flourish extending to the right.
