Dear Mr. Sylte:

In response to your request of March 19, 1991, I am pleased to inform you that we are delegating to your agency authority to implement and enforce certain categories of New Source Performance Standards (NSPS) and National Emission Standards for Hazardous Air Pollutants (NESHAPS) on behalf of the Bay Area Air Quality Management District (BAAQMD). We have reviewed your request for delegation and have found the BAAQMD's programs and procedures to be acceptable. This delegation includes authority for the following source categories:

NSPS 40 CFR Part 60 Subpart
Iron and Steel Na
Polymeric Coating of Supporting Substrates Facilities VVV

NESHAPS 40 CFR Part 60 Subpart
Benzene Transfer Operation BB
Benzene Waste Operations FF

In addition, we are redelegating the following NSPS and NESHAPS categories since the BAAQMD's revised programs and procedures are acceptable:

Table with 7 columns: SYMBOL, SURNAME, DATE, U.S. EPA CONCURRENCES, and two empty columns. Rows include A-2-3, A-2-3, A-2, and ATD with corresponding dates and initials.

Acceptance of this delegation constitutes your agreement to follow all applicable provisions of 40 CFR Parts 60 and 61, including use of EPA's test methods and procedures. As of the effective date of this delegation, BAAQMD will have primary authority to enforce the above standards. EPA will retain independent enforcement authority, and will exercise such authority in a manner consistent with EPA's timely and appropriate guidance, and our enforcement agreement. As such, all notifications and reports required of sources by the above standards should be sent to you, with a copy to our office. The delegation is effective upon the date of this letter unless the USEPA receives written notice from you or the District of any objections within 10 days of receipt of this letter. A notice of this delegated authority will be published in the Federal Register in the near future.

Sincerely,
