OFFICE OF THE  
REGIONAL ADMINISTRATOR

Dear Mr. Scheible:

In response to your request of July 23, 1993, I am pleased to inform you that we are delegating to your agency authority to implement and enforce certain categories of New Source Performance Standards (NSPS) and National Emission Standards for Hazardous Air Pollutants (NESHAPS) on behalf of the South Coast Air Quality Management District (SCAQMD). We have reviewed your request for delegation and have found the SCAQMD's programs and procedures to be acceptable. This delegation includes authority for the following source categories:

NSPS

40 CFR  
Part 60  
Subpart

Municipal Waste Combustors  
Calciners and Dryers in Mineral Industries

Ea ✓  
UUU ✓

In addition, we are redelegating the following NSPS and NESHAPS categories since the SCAQMD's revised programs and procedures are acceptable:

NSPS

40 CFR  
Part 60  
Subpart

General Provisions  
Emission Guidelines and Compliance Times  
Fossil-Fuel-Fired Steam Generators for  
Which Construction is Commenced After  
August 17, 1971  
Electric Utility Steam Generating Units for  
Which Construction is Commenced After  
September 18, 1978

EPA is not delegating Emission Guidelines, Municipal Waste Combustors under the Clean Air Act of 1990 (NSPS Subparts Ca and Cb). If the district would like to regulate these types of sources, it should develop a regulation and then submit it for incorporation into the State Implementation Plan, as part of the normal submittal process.

Acceptance of this delegation constitutes your agreement to follow all applicable provisions of 40 CFR Parts 60 and 61, including use of EPA's test methods and procedures. As of the effective date of this delegation, SCAQMD will have primary authority to enforce the above standards. EPA will retain independent enforcement authority, and will exercise such authority in a manner consistent with EPA's timely and appropriate guidance, and our enforcement agreement. As such, all notifications and reports required of sources by the above standards should be sent to you, with a copy to our office. The delegation is effective upon the date of this letter unless the U.S. EPA receives written notice from you or the District of any objections within 10 days of receipt of this letter. A notice of this delegated authority will be published in the Federal Register in the near future.

Sincerely,

John C. Wise  
Acting Regional Administrator
