Max Porter, Interim Director  
Maricopa County Air Quality Department  
1001 North Central Avenue, Suite 900  
Phoenix, Arizona 85004

Dear Mr. Porter:

We received your March 5, 2010, and April 5, 2010, requests for delegation of Standards of Performance for New Stationary Sources (NSPS) and National Emission Standards for Hazardous Air Pollutants (NESHAP) pursuant to the Code of Federal Regulations, Title 40 (40 CFR), Parts 60, 61, and 63. In this letter, we are responding only to your requests for delegation of 40 CFR Part 60 NSPS and Part 61 NESHAP. You will receive a separate letter addressing delegation of 40 CFR Part 63 NESHAP.

We have reviewed your request for delegation and have found your programs and procedures to be acceptable. As a result, the U.S. Environmental Protection Agency, Region 9 (EPA) is delegating to the Maricopa County Air Quality Department the authority to implement and enforce the following 40 CFR Part 60 NSPS, as they existed on July 1, 2008:

- 40 CFR Part 60 Subpart Ja -- NSPS for Petroleum Refineries for Which Construction, Reconstruction, or Modification Commenced After May 14, 2007.
- 40 CFR Part 60 Subpart VVa – NSPS for Equipment Leaks of VOC in the Synthetic Organic Chemicals Manufacturing Industry for Which Construction, Reconstruction, or Modification Commenced After November 7, 2006.
- 40 CFR Part 60 GGGa – NSPS for Equipment Leaks of VOC in Petroleum Refineries for Which Construction, Reconstruction, or Modification Commenced After November 7, 2006.
- 40 CFR Part 60 IIII – NSPS for Stationary Compression Ignition Internal Combustion Engines.
- 40 CFR Part 60 JJJJ – NSPS Stationary Spark Ignition Internal Combustion Engines.
- 40 CFR Part KKKK – NSPS for Stationary Combustion Turbines.

Regarding any other 40 CFR Part 60 NSPS and Part 61 NESHAP previously delegated to Maricopa County, this letter is also delegating any amendments made to those NSPS and NESHAP as of July 1, 2008.

Acceptance of this delegation constitutes your agreement to follow all applicable provisions of 40 CFR Part 60, including use of EPA's test methods and procedures. As of the effective date of this delegation, Maricopa County will have primary authority to enforce the above standards. EPA will retain independent enforcement authority, and will exercise such authority in a manner consistent with EPA's "Timely and Appropriate Enforcement Response to Significant Air Pollution Violators" Guidance, and any revisions thereto, and our enforcement agreement. All notifications and reports required of sources by the above standards should be sent to our office. These delegations are effective upon the date of this letter unless the U.S. EPA receives written notice from you of any objections within 10 days of receipt of this letter. EPA will publish a future Federal Register notice to codify these delegations into the Code of Federal Regulations.

If you have any questions about this delegation, please call me at (415) 947-8715 or have your staff contact Cynthia Allen at (415) 947-4120. Additional information on EPA's delegation to Maricopa County can be found at <http://yosemite.epa.gov/r9/r9nsps.nsf>.
