Regarding any other 40 CFR Part 63 NESHAP previously delegated to Maricopa County, this letter is also delegating any amendments made to those NESHAP as of July 1, 2010. These NESHAP are being delegated in accordance with the November 1, 1999, Memorandum of Agreement (MOA) between Maricopa County and EPA regarding the delegation of NESHAP. As set forth in the MOA, these delegations are effective upon the date of this letter and EPA will publish a future Federal Register notice to codify these delegations into the Code of Federal Regulations.

We appreciate the Maricopa County Air Quality Department's efforts to implement the federal air toxics program and hope to continue working with you to reduce emissions of air toxics in Maricopa County.
