San Francisco, CA 94111

Dear Mr. DeFalco:

Subject: Delegation of NSPS and NESHAPS to the State on
Behalf of the Bay Area Air Pollution Control District

This is in response to your letter of April 4, 1975, granting conditional delegation of authority for implementation and enforcement of the Standards of Performance for New Stationary Sources (NSPS) and National Emission Standards for Hazardous Air Pollutants (NESHAPS) to the State on behalf of the Bay Area Air Pollution Control District (APCD).

We are unwilling to agree to two of the conditions of delegation (numbers 5 and 8) as presently worded in your letter. My staff has discussed this matter with the Bay Area APCD and your staff. I understand that the conditions are being modified and will be sent to us for review in a draft form.

The other conditions are acceptable to us.

Sincerely,

Original signed by
