David J. Minedew, Director
 Environmental Health Services
 Washoe District Health Department
 1001 East Ninth Street
 Post Office Box 11130
 Reno, NV 89520

Dear Mr. Minedew:

In response to your request of December 3, 1984, I am pleased to inform you that we are delegating to your agency authority to implement and enforce two New Source Performance Standard (NSPS) categories in 40 CFR Part 60: Subpart LL - Standards of Performance for Metallic Mineral Processing Plants and Subpart XX - Bulk Gasoline Terminals. We have reviewed your request for delegation and have found your present programs and procedures to be acceptable.

Acceptance of this delegation constitutes your agreement to follow all applicable provisions of 40 CFR Part 60, including use of EPA approved test methods and procedures. The delegation is effective upon the date of this letter unless the USEPA receives written notice from you of any objections within 10 days of receipt of this letter. A notice of this delegated authority will be published in the Federal Register in the near future.

Sincerely,
