Dear Mr. Scheible:

In response to your request of May 22, 1998, I am pleased to inform you that we are delegating authority to implement and enforce certain categories of New Source Performance Standards (NSPS) to the **San Diego County Air Pollution Control District (SDCAPCD)**. We have reviewed your request for delegation and have found the SDCAPCD's programs and procedures to be acceptable. Accordingly, EPA is delegating authority for the following source categories:

NSPS

Small Industrial-Commercial-Institutional
Steam Generating Units
Municipal Solid Waste Landfills

**40 CFR
Part 60
Subpart**

**Dc

Acceptance of this delegation constitutes your agreement to follow all applicable provisions of 40 CFR Part 60, including but not limited to use of EPA's test methods and continuous emission monitoring procedures. As of the effective date of this delegation, SDCAPCD will have primary authority to enforce the above standards. EPA will retain independent enforcement authority, and will exercise such authority in a manner consistent with EPA's "Timely and Appropriate Enforcement Response to Significant Air Pollution Violators" Guidance, and any revisions thereto, and our enforcement agreement. All notifications and reports required of sources by the above standards should be sent to you, with a copy to our

office. The delegation is effective upon the date of this letter unless the U.S. EPA receives written notice from you or the District of any objections within 10 days of receipt of this letter. A notice of this delegated authority will be published in the Federal Register in the near future.

Sincerely yours,

David P. Howekamp
