Dear Mr. Drozdoff:

In response to your request of April 4, 2006, I am pleased to inform you that we are delegating authority to implement and enforce the New Source Performance Standards (NSPS) to the Nevada Division of Environmental Protection (NDEP). We have reviewed your request for delegation and have found the NDEP's programs and procedures to be acceptable. Accordingly, EPA is delegating and/or re delegating authority for the following source categories as they existed on July 1, 2005 for NSPS, except for the amendments to Part 60, Subpart Da, which were published in the Federal Register on August 30, 2005 and Subparts CCCC and DDDD, which were added to 40 CFR Part 60, as published in the Federal Register on September 22, 2005.
