 and Natural Resources
 Division of Environmental Protection
 Capitol Complex
 Carson City, NV 89710

Dear Serdos:

In response to your request of November 15, 1985, I am pleased to inform you that we are delegating to your agency authority to implement and enforce the New Source Performance Standard (NSPS) category in 40 CFR Part 60: Subpart LLL - Standards of Performance for Onshore Natural Gas Processing: SO₂ Emissions. We have reviewed your request for delegation and have found your present programs and procedures to be acceptable.

Acceptance of this delegation constitutes your agreement to follow all applicable provisions of 40 CFR Part 60, including use of EPA approved test methods and procedures. The delegation is effective upon the date of this letter unless the USEPA receives written notice from you of any objections within 10 days of receipt of this letter. A notice of this delegated authority will be published in the Federal Register in the near future.

Sincerely,
