

Community Open House Event

U.S. Environmental Protection Agency • Region 9 • San Francisco, CA • November / noviembre 2016

Del Amo and Montrose Superfund Sites Welcome!

The U.S. Environmental Protection Agency is hosting a community meeting for the Del Amo and Montrose Superfund Sites located in Torrance, California.

The tables tonight are staffed by representatives from the U.S. Environmental Protection Agency (EPA) and each table gives a different overview or status update of the various cleanup actions that are underway. Please visit each table at your leisure. There is no defined order, and you can set your own pace. Do not hesitate to engage the staff members from the EPA; they are here to answer your questions and concerns.

Stations tonight include the following topics:

- Dual Site Groundwater (OU3)
- Montrose Soil (OU1)
- ECI Stockpiles (OU6)
- Del Amo Soil and NAPL (OU1)
- Del Amo Waste Pits Area (OU2)
- Vapor Intrusion
- Montrose DNAPL
- Community Involvement
- Kids Corner
- Extra Seating
