4416.45 Bedrock Groundwater Elevation

Groundwater elevations are presented in feet above mean sea level.

- Notes:**
1. Projection: Nevada State Plane, West Zone 1927 North American Datum (Feet).
 2. Base photo taken October 3, 2001.
 3. Water levels measured on 7/29/08 to 7/30/08.
 4. Groundwater elevations less than 4307 are not shown in the cone of depression at B/W-1 for map legibility.
