Dear BCT members:

Enclosure (1) is the Final Feasibility Study (FS) Report for Parcel F, Hunters Point Shipyard, San Francisco, California. This report has been updated based on comments received on the Draft Final Feasibility Study for Parcel F issued in November 2007 and based on discussions held at Parcel F BCT meetings. The Navy has prepared Response to Comments for all formal comments received on the Revised Draft and Draft Final Feasibility Study and presents this in Appendix E of the enclosed Report. The Navy looks forward to continuing our CERCLA process for Parcel F with the BCT as we begin our Radiological Data Gaps Investigation and Radiological Addendum to the FS during the summer of 2008.

Should you have any concerns with this matter, please contact Mr. Dane Jensen at (619) 532-0789, or Mr. Keith Forman at (619) 532-0913.

Sincerely,

KEITH FORMAN
BRAC Environmental Coordinator
By direction of the Director
