RE: SEPTEMBER 2005 MONTHLY SUMMARY TREATMENT REPORTS FOR SYSTEM
NO. 3610039, WATER SUPPLY PERMIT NO. 03-13-99P-002

Dear Ms. Tran:

Enclosed are the monthly summary reports for each Granular Activated Carbon and Packed Tower Aeration facility. The required information is provided in two separate report formats: Information on well production, plant influent and effluent water flow and amount of contaminant removed are covered in the September 2005 Operations Monthly Treatment Reports. Information on bacterial results and constituents of concern for each of the wells and treatment plants for the month of September 2005 is presented in the attached Water Quality Reports, Newmark OU/Towers/19th St. GAC.

It is my understanding the energy consumed for each is no longer of interest to DHS and is not required in the monthly reports. Please contact me at (909) 384-5107 if additional information or modifications to the formats of the reports are desired.
