

San Gabriel Valley Superfund Site Puente Valley Operable Unit Proposed Plan

U.S. ENVIRONMENTAL PROTECTION AGENCY • REGION 9 • SAN FRANCISCO, CALIFORNIA

EPA EXTENDS COMMENT PERIOD ON PROPOSED PLAN TO ADDRESS GROUND-WATER CONTAMINATION AT PUENTE VALLEY OPERABLE UNIT

This is the U.S. Environmental Protection Agency's (EPA's) notice of an extension for members of the public to comment on the Proposed Plan for the Puente Valley Operable Unit (PVOU) of the San Gabriel Valley Superfund Site in Los Angeles County, CA. Individuals on the mailing list for the San Gabriel Valley Superfund Site were sent a copy of the Proposed Plan fact sheet in mid-January 1998, and a community meeting on the Proposed Plan was held on January 28, 1998 at La Puente High School in La Puente, CA.

The Proposed Plan presents four

Because of public interest in the Proposed Plan, EPA is extending the public comment period closing date to Monday, March 16, 1998.

alternatives, including EPA's preferred alternative, for addressing ground-water contamination in Puente Valley. EPA encourages members of the public to review and comment on the alternatives described in the Proposed Plan before the end of the public comment period. The Pro-

posed Plan summarizes the more detailed information found in the PVOU Interim Remedial Investigation/Feasibility Study (RI/FS) report and other Superfund technical documents, which are part of the Administrative Record.

The repositories have been provided with the following:

1. Microfilm (6/97): PVOU RI/FS report.
2. PVOU Administrative Record Index (1/98): Chronological list of all documents in the Administrative Record for the PVOU (through 1/98).
3. CD-ROM (1/98): Administrative Record for the PVOU.
