Joyce Adams
Project Geologist

L. Maile Smith
Project Manager

Weiss Associates work for Applied Materials Building 1 was conducted under my supervision. To the best of my knowledge, the data contained herein are true and accurate and satisfy the scope of work prescribed by the client for this project. The data, findings, recommendations, specifications or professional opinions were prepared solely for the use of Applied Materials in accordance with generally accepted professional engineering and geologic practice. We make no other warranty, either expressed or implied, and are not responsible for the interpretation by others of the contents herein.

Mary Stallard
