

**Table P-2**  
**List of BSHS Surveys Completed Since December 2000**

	Date of Survey			Location	Survey Technique	Important Notes	Participants
	Year	Month	Day(s)				
Plants	2001	March	20	North facing slope btw. landfill and unnamed drainage.	Walkover survey.		K. Rindlaub & P. Munro
		April	20, 23-25	All portions of the site.	Walkover survey.		K. Rindlaub & P. Munro
		May	2-3, 14	All portions of the site.	Walkover survey.		K. Rindlaub & P. Munro
		November	27-29	All portions of the site	Walkover survey.		B. Goggin, & M. Clary
	2002	March	11-14	All portions of the site	Walkover survey.		Bill Goggin & M. Clary
		April	30	All portions of the site	Walkover survey.		Bill Goggin & M. Clary
		May	1-2	All portions of the site	Walkover survey.		B. Goggin, M. Clary, & A. Bate
Amphibians and Reptiles	1998	April	17	Areas proximate to ponds; Casmalia Creek	Walkover surveys	Daytime and Nocturnal Surveys	L. E. Hunt et al.*
		May	5	Areas proximate to ponds; Casmalia Creek	Walkover surveys, Kayak surveys	Nocturnal Surveys	L. E. Hunt et al.*
		October	7	Areas proximate to ponds	Walkover surveys	Daytime and Nocturnal Surveys	L. E. Hunt et al.*
	1999	April	14,23	Areas proximate to Ponds	Walkover surveys; Kayak surveys	Daytime and Nocturnal Surveys	L. E. Hunt et al.*
	2001	April	24	All portions of the site	Walkover survey.	Daytime and Nocturnal Surveys	L. E. Hunt et al.*
		May	2, 14	All portions of the site	Walkover survey.	Daytime and Nocturnal Surveys	L. E. Hunt et al.*
		June	1	All portions of the site	Walkover surveys.	Daytime and Nocturnal Surveys	L. E. Hunt et al.*
		July	31	All portions of the site	Walkover surveys.	Daytime and Nocturnal Surveys	L. E. Hunt et al.*
		November	19,20	Areas proximate to Ponds.	Transect surveys.	Daytime and Nocturnal Surveys	B. Goggin, A. Bate, & M. Clary
	2002	March	11-14	Areas proximate to Ponds.	Transect surveys.		B. Goggin, A. Bate, & M. Clary
		April	8-9, 22-23	Areas proximate to Ponds.	Transect surveys.	Daytime and Nocturnal Surveys	L.E. Hunt

**Table P-2 (cont'd)**  
**List of Surveys Completed Since December 2000**

	Date of Survey			Location	Survey Technique	Important Notes	Participants
	Year	Month	Day(s)				
Amphibians and Reptiles		May	9, 10, 13, 16, 17, 23, 24, 28, 29	Areas proximate to Ponds.	Focused surveys. California Tiger Salamander.	60 Traps. Traps checked every 4 hrs. Surveys conducted between 0800 and 2000 hrs. Two surveys (May 10, 28) conducted between 1200 to 2400 hrs.	L. E. Hunt
	2002	May	8, 9, 22,23	Areas proximate to Ponds.	Focused survey. CRLF	1900 - 2300 hrs.	L. E. Hunt
		May	19	Areas proximate to Ponds.	Focused survey. CRLF and CTS	Daytime and Nocturnal Surveys	L. E. Hunt
		June	5	Areas proximate to Ponds.	Focused survey. CRLF and CTS	Daytime and Nocturnal Surveys	L. E. Hunt
	2004	April	12, 26	Areas proximate to Ponds.	Focused survey. CRLF	2000 - 2400 hrs.	L. E. Hunt
	2004/2005	October 26, 2004 – February 23, 2005	29 nights over interval	Areas proximate to Ponds	Uplands Drift Net Surveys	Traps left open at night, and checked following morning between 0700 and 1000 hrs.	L.E. Hunt
Birds	2001	March	20	All portions of the site	Point Count Surveys	0800-1145 hrs.	J. Greaves, L. E. Hunt, & T. Olson
		April	20	All portions of site	Point Count Surveys	0835-1430 hrs.	J. Greaves, L. E. Hunt, & T. Olson
		April	24	All portions of Site.	Casual survey.	0830-1205 hrs	L. E. Hunt
		April	27	RCF Pond, A-Series Pond, and Pond 14	Casual survey.	0900-1300 hrs.	L. E. Hunt
		May	4	Eucalyptus grove and grassland btw. Casmalia Creek and landfill.	Casual survey.	1115-1315 hrs.	L. E. Hunt
		May	11	All portions of the site	Point Count Surveys.	0800-1315 hrs.	L. E. Hunt
		May	25	All portions of the site.	Point Count Surveys.	0835-1615 hrs.	L. E. Hunt

**Table P-2 (cont'd)**  
**List of Surveys Completed Since December 2000**

	Date of Survey			Location	Survey Technique	Important Notes	Participants
	Year	Month	Day(s)				
Birds	2001	July	5, 11	All portions of the site.	Casual survey.	1350-1550 hrs; 0815-0939 hrs.	L. E. Hunt
		July	16-24	All portions of the site.	Casual survey.	0730-1700 hrs.	L. E. Hunt
		November	21 & 30	All portions of the site	Point Count Surveys.	0745-1212 hrs.	J. Greaves, B. Goggin, & A. Bate
	2002	March	15	All portions of the site	Point Count Surveys.	0800-1355 hrs.	J. Greaves, & B. Goggin
		September	24	All portions of the site	Point Count Surveys.		B. Goggin, J. Greaves, & M. Eisent
	2004	November	3-5, 8-10	All portions of site	Point Count Surveys	Three sets of morning and evening surveys	MACTEC
Mammals	2001	March		All portions of the site	Walk Over Surveys.		L. E. Hunt
		April	20, 27	All portions of the site	Walk Over Surveys.		L. E. Hunt
		May	14	All portions of the site	Walk Over Surveys.		L. E. Hunt
		June	1, 11	All portions of the site	Walk Over Surveys.		L. E. Hunt
		July	16-24, 31	All portions of the site	Walk Over Surveys.		L. E. Hunt
	2002	March	11-14	All portions of the site	Transects		B. Goggin, A. Bate, & M. Clary
		April / May	30 - 2	All portions of the site	Transects		B. Goggin, A. Bate, & M. Clary
	2004	August		All portions of the site	Walk Over Surveys.		L. E. Hunt
		September	23-31	All portions of Site.	Point Count Surveys.	Focused bat surveys. 1630 – 0930 hrs.	P. A. Heady III
		November	3 5, & 8-10	All portions of the site	Point Count Surveys	0600 – 1800 hrs	MACTEC
	November	19-21	All portions of Site.	Transects.		B. Goggin, A.Bate, & M. Clary	

Lawrence E. Hunt et al.\* = Lawrence E. Hunt, with assistance from Vince Semonsen, Thomas Olson, and Dan Cox.
