Community Meeting Notice

On August 2, 2016, the U.S Environmental Protection Agency (EPA) will hold a community meeting to share information on the upcoming work to update and reconfigure the Frontier Fertilizer Superfund Site groundwater extraction system. Five to seven extraction wells, including two within Mace Ranch neighborhood, will be added to EPA's 2nd Street groundwater treatment plant pipe network. After the presentation, there will be a question and answer period. EPA will mail out a detailed fact sheet about this activity in late July. Please join us.

If you have any questions, contact **Jackie Lane** at (415) 972-3236 or lane.jackie@epa.gov, or **Bonnie Arthur** at (415) 972-3030 or arthur.bonnie@epa.gov. To be added to the Site mailing list, please email or call Jackie Lane (above). Visit www.epa.gov/superfund/frontierfertilizer for more information about the site and to read site documents.
