

Middlefield-Ellis-Whisman (MEW) Superfund Study Area

Mountain View, California

February 2007

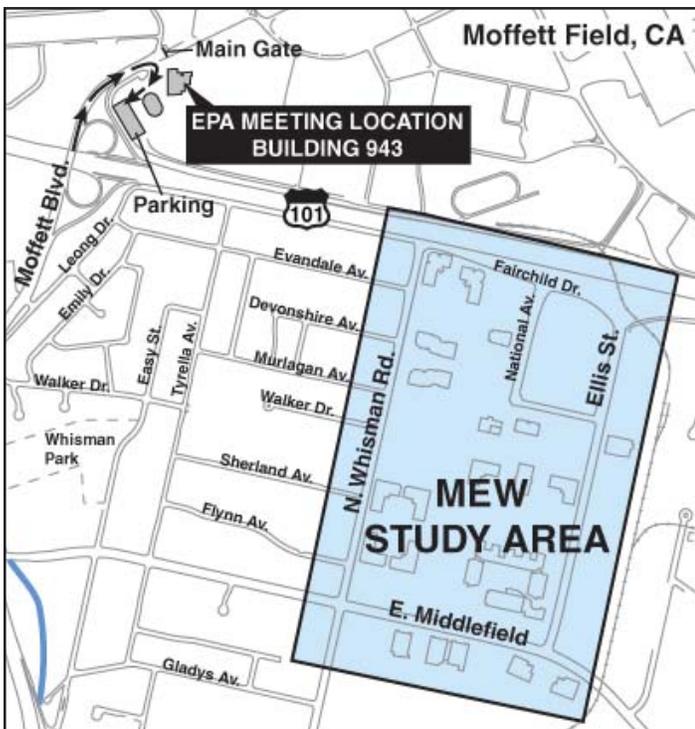

EPA Informational Open House / Poster Session

You are invited to attend an informational poster session and EPA Open House to learn more about the MEW Superfund Site in your area.

Thursday, March 15, 2007
4:00 pm - 8:00 pm
NASA's Building 943

(located to the right off NASA Parkway before the main gate)

Please join us any time
during these hours

MEW Superfund Site and Vicinity

During the informational poster session, EPA staff will be available to provide updated information about the MEW Site and to answer your questions about:

- \$ The Superfund Process - Where We Are and What's Coming Up
- \$ Groundwater Contamination and How It is Being Cleaned Up (Groundwater Demonstration Model)
- \$ Air Investigations to Evaluate the Groundwater-to-Indoor Air Pathway (Vapor Intrusion Pathway)
- \$ Air Sampling and Field Equipment (Hands-On)
- \$ Trichloroethene (TCE) in Air and Potential Health Risks
- \$ EPA's Community Involvement Program
- \$ The MEW Technical Assistance Grant

NASA, Navy, and MEW Company representatives will also be presenting informational posters and will be available to answer questions about their work at the Site.

You will also be able to:

- \$ Ask Questions
- \$ Tell Us What You Think
- \$ Learn How You Can Provide Input or Become Involved

We look forward to seeing you at this informative event!
