

Explanation

- Monitor Well
- **B/W-13S**
4372.93 Groundwater Elevation
- Monitor Well
- **USEPA2S**
[4338.85] Groundwater elevation not used for contouring. See notes section in Appendix E6.
- ⊕ Piezometer
- ⊕ **P-1S**

Groundwater elevations are presented in feet above mean sea level.

- Notes:**
1. Projection: Nevada State Plane, West Zone 1927 North American Datum (Feet).
 2. Base photo taken October 3, 2001.
 3. Water levels measured on 8/21/08 to 8/25/08.
 4. Groundwater elevations less than 4330 are not shown in the cone of depression at B/W-1 for map legibility.
