

Paper Citations Provided to the Panel by Jeff Swartout, EPA NCEA

Here are the two paper citations on TSH that I mentioned in my presentation last week. Would you please post these for the review panel?

Calaciura, F, R Motta, G Miscio, et al., 2002, Subclinical Hypothyroidism in Early Childhood: A Frequent Outcome of Transient Neonatal Hyperthyrotropinemia, *Journal of Clinical Endocrinology & Metabolism* 87(7):3209–3214

Korada, S, M Pearce, M Platt, et al., 2009, Difficulties in selecting an appropriate neonatal thyroid stimulating hormone (TSH) screening threshold, *Arch Dis Child* 2010;**95**:169–173
