Re: PLEASE SEND ME THE 800 NUMBER FOR THE BELOW TELECONFERENCES

thank you so much for the below assistance.

for the record on this call, i did want to say that the value of ecological resources is ten trillion dollars. it is clear that mankind made all he has from the ecological resources that God put on this planet. It is also clear to me that the wasteful use of them will cost us. please make sure that the very highest dollar values are put on every blade of grass on upward.
