Unit manager Biomass Coal & Environmental Research
Energy Research Centre of the Netherlands

Monday October 29, 2007, continued

12:00 LUNCH

1:15 Discussion of International Perspectives

Committee

2:00 Experiences with Preparation of the
SAB's Hypoxia Advisory Panel Report

Dr. Holly Stallworth

2:15 NRC Report on the Clean Water Act

Dr. Otto Doering

2:30 Nitrogen Budget

Dr. Elizabeth Boyer

3:30 Discussion of Implications for
Reducing Risks from Reactive Nitrogen

Committee

4:30 Public Comment (TBD)

4:45 Summary and Plans

Dr. James Galloway

5:00 Recess

Ms. Kathleen White

Tuesday, October 30, 2007

- 8:30 Reconvene Ms. Kathleen White, DFO
- Review of Plan for the Day Dr. James Galloway
- 8:45 Discussion of the Content and Organization of Chapter 3: Behavior of Reactive Nitrogen in the Environment: Committee
1. Improvements & Corrections
 2. Gaps
 3. Cross-cutting issues
 4. Resulting Changes to Organization
 5. Problems Pulling Together Information
 6. Assignments & Schedule for Completion
 7. Identification of Findings
- 9:45 BREAK
- 10:00 Discussion of Content and Organization of Chapter 4: Evaluation of Current and Alternative Approaches to Management of Reactive Nitrogen in the Environment Committee
1. Improvements & Corrections
 2. Gaps
 3. Cross-cutting issues
 4. Resulting Changes to Organization
 5. Problems Pulling Together Information
 6. Assignments for Completion
 7. Identification of Findings
- 11:30 LUNCH
- 12:30 Discussion of consensus points from the Risk Reduction Working Group and Any Other Large Scale Points Committee
- 1:40 Potential Workshop & Proposed Schedule Dr. James Galloway
- Purpose, Content, Structure, Invitees
Capturing the Results
Use of the Results
INC Final Meeting

Tuesday, October 30, 2007, continued

2:45 Organizational Sessions & BREAK

Working Groups meet to plan the work, develop schedules
For writing and preparatory conference calls.

3:30 Leads Report to INC on proposed schedule
and report any Barriers to achieving it

Working Group
Leads

4:30 Summary

Dr. James Galloway

5:00 Recess

Ms. Kathleen White

Wednesday, October 31, 2007

8:30 Reconvene

Ms. Kathleen White

Review of Plan for the Day
and Assignments

Dr. James Galloway

8:45 Discussion and Writing

11:45 Lunch

1:00 Further Planning for Workshop

1:30 Action Items

Dr. Galloway and
Committee

2:00 Adjourn

Ms. Kathleen White
