Subject: Attention Docket ID No. EPA-HQ-ORD-2010-0674

Comment from:
On behalf of Damascus Citizens for Sustainability and NYH2O we are submitting the following information for consideration by the EPA Science Advisory Board and the researchers conducting the nationwide study of high volume hydraulic fracturing impacts.
B. Arrindell
Director
Damascus Citizens for Sustainability

This comment contains 2 maps one from Jan, 2011, August, 2011 and the other Feb, 2012 - of impacted water wells in Bradford county, PA
