

Agenda
EPA Science Advisory Board
Superfund Benefits Analysis Advisory Panel
Public Meeting, SAB Conference Center, 1025 F Street, Wash., D.C.
February 24, 2005, 9:00am - 5:00pm, Eastern Time
February 25, 2005, 8:30am - 3:00pm, Eastern Time

Purpose: EPA's Office of Solid Waste and Emergency Response (OSWER) has requested the Science Advisory Board's (SAB) advice on the *Superfund Benefits Analysis*, a draft report on the benefits of the Superfund program. This Superfund Benefits Analysis Advisory Panel was formed to respond to this request. This face-to-face meeting will provide panelists an opportunity to hear from the report author, ask questions and discuss the charge questions.
