

**EPA Science Advisory Board  
 Second Generation Model Advisory Panel  
 Public Meeting Agenda  
 February 4, 2005  
 8:30am – 3:30pm, Eastern Time**

**Purpose:** This is the first face-to-face meeting of the Second Generation Model (SGM) Advisory Panel, a panel created to provide advice to the Office of Air and Radiation (OAR) on the Second Generation Model, a computable general equilibrium model that traces interactions between climate policies and the economy. After presentations of the model, panelists will have an opportunity to ask questions of the model developers and discuss various features of the model.
