DEPUTY ADMINISTRATOR

Ms. Ellen Gulbinsky
Executive Director
Association of Environmental Authorities
2333 Whitehorse-Mercerville Road, Suite 3
Mercerville, New Jersey 08619-1946

Dear Ms. Gulbinsky:

Thank you for your letter requesting additional time for Municipal Coalition of Pennsylvania presenters at the upcoming Science Advisory Board review of the U.S. Environmental Protection Agency's Draft Technical Guidance on Nutrient Criteria. The Agency has received similar requests from other interested members of the public. Given the national importance of nutrient criteria guidance, the SAB committee conducting the review has scheduled a two-hour period for public comments, giving speakers more time to present their views on this subject matter.

Please direct any questions you have regarding the public input process to Dr. Vanessa Vu, Director of the SAB Staff Office, at (202) 343-9874 or vu.vanessa@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Scott Fulton".
