**PANEL DISCUSSION**

*Controlled Human Exposure Studies:*

- |                   |                                    |
|-------------------|------------------------------------|
| <b>Question 2</b> | <b>Dr. Michael Kleinman</b>        |
| <b>Question 3</b> | <b>Dr. John Balmes</b>             |
| <b>Question 4</b> | <b>Dr. William (Jim) Gauderman</b> |

*Susceptible Populations:*

- |                   |                        |
|-------------------|------------------------|
| <b>Question 5</b> | <b>Dr. Fred Miller</b> |
|-------------------|------------------------|

*Epidemiology Studies:*

- |                   |                            |
|-------------------|----------------------------|
| <b>Question 6</b> | <b>Dr. Lianne Sheppard</b> |
|-------------------|----------------------------|

*Exposure and Risk Assessments:*

- |                   |                          |
|-------------------|--------------------------|
| <b>Question 7</b> | <b>Dr. Sverre Vedal</b>  |
| <b>Question 8</b> | <b>Dr. Frank Speizer</b> |

*Overarching Question:*

- |                   |                            |
|-------------------|----------------------------|
| <b>Question 1</b> | <b>Dr. Morton Lippmann</b> |
|-------------------|----------------------------|

- |               |                   |                           |
|---------------|-------------------|---------------------------|
| <b>4:50pm</b> | <b>Next Steps</b> | <b>Dr. Jonathan Samet</b> |
| <b>5:00pm</b> | <b>Adjourn</b>    | <b>Dr. Stallworth</b>     |

**Registered Public Speakers**  
**Clean Air Scientific Advisory Committee (CASAC) Ozone Review Panel for the**  
**Reconsideration of the 2008 National Ambient Air Quality Standard (NAAQS)**  
**Public Teleconference**  
**Friday, February 18, 2011**

1. Deborah Shprentz, Consultant to the American Lung Association
2. Roger McClellan, Advisor, Toxicology and Human Health Risk Analysis, no affiliation given
3. William E. Davis, Southern California Contractors Association
4. Robyn Prueitt, on behalf of the American Petroleum Institute
5. Julie Goodman, on behalf of the American Petroleum Institute
6. Michael Honeycutt, Texas Commission on Environmental Quality
7. Allen S. Lefohn, A.S.L. & Associates
8. Christopher Emery, ENVIRON International Corporation
