

**EPA Science Advisory Board
Superfund Benefits Analysis Advisory Panel
Public Teleconference Agenda
February 11, 2005
2:00 pm - 4:00 pm, Eastern Time**

Purpose: EPA's Office of Solid Waste and Emergency Response has requested that the Science Advisory Board (SAB) provide advice on the *Superfund Benefits Analysis*, a draft report on the benefits of the Superfund program. This **Superfund Benefits Analysis Advisory Panel** was formed to respond to this request. This initial teleconference will provide panelists an opportunity to comment on the draft charge questions and begin preparations for the review meeting scheduled for February 24-25, 2005.

2:00pm	Opening of the Meeting and Welcome & Introduction of Panelists	Dr. Holly Stallworth Designated Federal Officer
2:05pm	Welcome from OSWER	Dr. Elizabeth Southerland Director Assessment and Remediation Division, OSWER
2:10pm	Discussion of Draft Charge Questions	Dr. Rick Freeman (Chair) and Panel
3:00pm	Discussion of Panelists' Expertise vis-a-vis the <i>Superfund Benefits Analysis</i> (potential assignments)	Dr. Freeman and Panel
3:30pm	Discussion of Face-to-Face Meeting Agenda and Preparations	Dr. Freeman and Panel
4:00pm	Adjourn	Dr. Stallworth
